Anyone showing symptoms of Covid will not be allowed to enter, and if already inside will be instructed to leave.

3/ We will offer tables for a maximum of 4 persons only and some tables will be out of use, enabling us to operate with 2m social distancing between tables. Our staffing numbers are greatly reduced therefore we will do our best to ensure good service but delays will be unavoidable at peak times. Groups of 5 persons and above must book in advance, thank you.

5/ Hand wash and sanitising will be available in several locations, and these must be used on arrival and on departure. The washroom is available on a one in, one out basis, please help to ensure maximum cleanliness, and ensure hands are washed thoroughly in accordance with guidance.

6/ There may be instances for customers where the 2m distancing cannot be achieved momentarily, therefore you are asked to move without delay past other people in the tea room. Tables are positioned at 2m minimum distance.

7/ We will offer table service, our staff will come to your table and take your order. At the same time we will take a name and phone number from you to enable track and trace if subsequently necessary.
